

WHO WE ARE

The Traditional Spice Route

SREE ANNAPOORNA FOODS was established in 1970. At a time when traditional grinding of spices at homes was quite the order of the day, Sree Annapoorna Foods pioneered the art of spice processing. It began by providing high quality spices and spice blends for restaurants that brought uniformity and helped reduce dependency on human resources. The late 70's witnessed the retail industry burgeoning rapidly. And Sree Annapoorna Foods became the first company in Tamil Nadu to sell spices and spice blends in packed form.

Today with close to 5 decades of experience, Sree Annapoorna Foods(SAF) is the epitome of rich and strong traditional values and is engaged in manufacturing a diverse range of Spice Powders, Spice Blends and a swarm of Ready to Cook and Eat products under the brand name ANNAPOORNA.

Continued Inventiveness and Development

As a company, customer delight is SAF's primary goal. Every aspect of our business is inclined to being more transparent and inventive. Innovativeness is the bedrock of SAF as we have a product development team that is constantly working towards adding value to SAFs existing product line.
